The Porter House Hospitality Experience

The pièce de résistance of The Porter House experience comes from three food and drink destinations spanning five levels of the original and historic Porter House building.

Located on level one is Dixson & Sons, a modern brasserie as rich and warm in character as it is sophistication. Dixson's will take you on a culinary journey introducing fresh seasonal produce with Asian influences.

SPICE TRADER

Head to the top level of Porter House to discover our intimate cocktail bar. Celebrating the history of the spice trail and the spirit merchants you will be transported to exotic locations, one sip at a time.

Meeting & Event Spaces

Spanning two levels of the historic Porter House building are 7 meeting and event spaces, best suited for private dining, boardroom meetings and intimate events.

Two rooms boast working fireplaces and lounge seating.
