# TESTIMONIALS

We had a conference with SA and WA operational team over 2 days. Approximately 7 of our interstate team stayed at the ibis Styles hotel.

We also had the benefit of the Re-refresh Conference room for the 2 days, for the 15 people. We were provided a big TV screen which was a great size for presenting.

Everyone was very pleased with the layout, facilities and attention provided

### **Lucy, Broadspectrum**

Really impressed! Attended work training and was amazed at the speed of adaptability of staff to requests for vegetarian and gluten free dishes in the catering.

Catering was wonderful, generous and fantastic flavours over the 2 days!
