

PERTH

Ibis on Murray Street in Perth Unveils Stunning \$11M Transformation

Ibis Perth on Murray Street has undergone a **\$11 million renovation to 192 guest rooms, meeting space, food and beverage outlets and public areas**, emerging as a modern, stylish, and vibrant retreat in the heart of the Perth CBD. Blending contemporary design and effortless comfort, the reimagined hotel offers a fresh and dynamic hospitality experience for today's modern traveller.

Part of the renowned Accor hotel group, Ibis has been a trusted name in hospitality since 1974, offering reliable, high-quality stays in prime locations worldwide. With over 65 countries and growing, **Ibis continues to expand its global footprint while maintaining a strong commitment to affordable luxury, sociability, and comfort.**

The transformational renovation draws inspiration from Perth's rich natural and urban beauty, incorporating locally sourced timber, earthy textures, and artistic elements that reflect the essence of the city. The hotel's interiors capture the tranquillity of nearby Kings Park & Botanic Garden, the movement of the Swan River, and the artistic vibrancy of the Art Gallery of Western Australia. The result? A warm, **welcoming space that feels like home but with a playful, contemporary edge.**

Elevated Dining Experience

The all-new Ibis Perth is designed to be more than just a place to stay—it's a **place to connect**. Guests can expect interactive, multi-functional spaces that cater to both work and leisure, with a seamless mobile check-in system ensuring a smooth arrival experience.

Adding to the excitement, Ibis Murray Street has officially unveiled its brand-new dining space, **Chelsea Social**. This lively venue has quickly become a go-to spot for both locals and travellers, **offering a vibrant social scene, craft cocktails, and an inviting atmosphere** — perfect for catching up with friends, enjoying live music, or simply soaking in the buzz of the city.

Our Commitment to Sustainability

What We're Doing

- **Energy Efficiency** – Using LED lighting, and energy-efficient AC systems across the hotel.
- **Water Conservation** – Low-flow showerheads and taps are installed to reduce water usage without compromising comfort.
- **Responsible Waste Management** – Recycling stations are available in your room, and we are reducing single-use plastics throughout the hotel.
- **Locally Sourced & Sustainable Dining** – Our restaurant partners with local suppliers to offer seasonal produce and responsibly sourced ingredients.
- **Green Housekeeping** – Linen and towel reuse programs reduce water, energy, and detergent use.

Meetings & Functions

Ibis Perth offers **3 fully renovated conference spaces catering up to 200 people**. Whether you require the space for a business conference, training seminar, social event or private dinner, Ibis Perth has the perfect canvas to suit your needs.

At Ibis Perth we are dedicated to creating memorable experiences while caring for our planet and community. We believe that small changes can make a big difference, and we invite you to join us on our journey towards a more sustainable future.
